**\$19,000 Settlement Reached with Clean Harbors Los Angeles, LLC**

Los Angeles --- The California Department of Toxic Substances Control (DTSC) announced it has reached a settlement with Clean Harbors Los Angeles, LLC for hazardous waste violations at its 5756 Alba Street facility in Los Angeles.

Under terms of a Consent Order (Order), signed on September 13, 2004, Clean Harbors Los Angeles, LLC will pay a total of \$19,000 to DTSC. A copy of the Order formalizing the settlement is available on the DTSC website at [http://www.dtsc.ca.gov/HazardousWaste/Clean\\_Harbors/Clean-Harbors\\_ENF\\_CO.pdf](http://www.dtsc.ca.gov/HazardousWaste/Clean_Harbors/Clean-Harbors_ENF_CO.pdf).

The settlement stems from violations observed by DTSC inspectors during an inspection at the facility on February 25, 2004. The violations noted were:

- Accepting hazardous waste from a generator without a hazardous waste manifest.
- Failing to submit an "Unmanifested Waste Report" to the Department within 15 days after accepting hazardous waste without a manifest.
- Failing to make a proper waste determination.
- Offering hazardous waste for transportation and off-site treatment without a hazardous waste manifest.

Clean Harbors Los Angeles, LLC has since corrected all violations noted during the inspection.
